

# NSA's Dual Action Long Sleeve T-shirt Arc Flash Protection

Proudly made in the USA.

## Introducing the Hi-Vis HRC 2 Long Sleeve T-shirt

### HRC 2

Arc Rated at 10 cal/cm<sup>2</sup>, making it level 2 compliant.

### ANSI 107

Our Hi-Visibility garments are compliant with ANSI 107-2004. Available with class 2 or class 3 striping.

### Styling

Available styling includes long sleeve or short sleeve T-shirt.

### Fabric

The FR properties of Reliant™ fabrics allow for a soft-to-the-touch shirt that wicks moisture away from your skin, keeping the wearer cool and comfortable all day.

### Striping

Designed with our new sleek segmented striping. The striping conforms to the garment, giving the wearer less restriction in a working environment.

## High Visibility T-shirt with HRC 2 Protection

Model # C54HY\_\_LSC3

Model # C54HY\_\_C3
