

NSA

NATIONAL SAFETY APPAREL®

Made in U.S.A.

High Value.
Light Weight.
More Comfort!

Selecting the right protective clothing can
make all the difference in the world.

High Value. Light Weight. More Comfort!

- DuPont™ Protera™ garments comply with NFPA 70E requirements.
- Protective garments offer light weight protection ranging from NFPA 70E Category 2 - Category 4.
- More durable than other competitive garments.
- Protection built into the fibers of each garment and cannot be washed out or worn away - a powerful advantage for you and your customers.

Available Garments:

National Safety Apparel offers DuPont™ Protera™ fabric in *shirts, pants, coveralls, hoods, coats* and *bib overalls*.

See reverse side for product information. Other colors and garments available upon request.
